Harlan Coben, the master of domestic suspense, returns with a standalone thriller in the vein of #1 bestsellers *Hold Tight*, *Caught* and *Stay Close* that explores the depth and passion of a lost love . . . and the secrets and lies at its heart. Six years have passed since Jake Fisher watched Natalie, the love of his life, marry another man. Six years of hiding a broken heart by throwing himself into his career as a college professor. Six years of keeping his promise to leave Natalie alone, and six years of tortured dreams of her life with her new husband, Todd. But six years havenâ€™t come close to extinguishing his feelings, and when Jake comes across Toddâ€™s obituary, he canâ€™t keep himself away from the funeral. There he gets the glimpse of Toddâ€™s wife heâ€™s hoping for . . . but she is not Natalie. Whoever the mourning widow is, sheâ€™s been married to Todd for more than a decade, and with that fact everything Jake thought he knew about the best time of his lifeâ€”a time he has never gotten overâ€”is turned completely inside out. As Jake searches for the truth, his picture-perfect memories of Natalie begin to unravel. Mutual friends of the couple either canâ€™t be found or donâ€™t remember Jake. No one has seen Natalie in years. Jakeâ€™s search for the woman who broke his heartâ€”and who lied to himâ€”soon puts his very life at risk as it dawns on him that the man he has become may be based on carefully constructed fiction. Harlan Coben once again delivers a shocking page-turner that deftly explores the power of past love and the secrets and lies that such love can hide.
