We do not have responsibility with copywright of this book.

As the captain of a schooner catering to the elite on the Caribbean Seas, Sebastian Stark does his best to avoid any human encounters. Interacting with people isnâ€™t his thing, and he prefers the company of a bottle of vodka, a shot glass, and maybe a whore. Thereâ€™s no doubt heâ€™s hiding from a checkered past, but he does well keeping everything to himselfâ€¦

â€¦until the night his schooner capsizes, and heâ€™s stuck on a life raft with one of the passengers.

Raineâ€™s young, sheâ€™s cute, and Bastian would probably be into her if he wasnâ€™t suffering from alcohol withdrawal. As the days pass, DTs, starvation, and dehydration become the norm. Even the most closed person starts to open up when he thinks heâ€™s going to die, but when she realizes their traumatic pasts are connected, itâ€™s no longer the elements that have Bastian concerned.

He has no idea how heâ€™s going to Survive Raine.
