Summary:

Our love is timeless.

Will is my fiancé. The shy man I met years ago in college. The person I'm supposed to spend the rest of my life with.

This is the life I've always wanted until finding a picture of four men changes everything…

Etienne says he's my husband and the year is 1912. He can't stand the sight of me, but I don't know why.

Oh, and he's one of the men from the picture.

I've done the impossible and have become trapped in time and I know Etienne is my key to going home.

The more time I spend with Etienne, the further I fall for him, until I'm questioning which time I belong in and if the life I left behind is the one I truly desire.

All I know for certain is I need to survive time.

I need to survive love.

And I need to make it out on the other side alive.
